

SAMPLE COLD CALL PITCH

Good day Sir/Madam, how are you doing today?

My name is Promise Emezuom, and I am calling from Cutix Plc, a cables and wires manufacturing company with headquarter at Anambra State. H

I am reaching out to introduce our high-quality electrical cables and wires designed for durability, safety, and reliable performance. Our products are trusted by electricians, contractors, builders, project owners, and businesses for residential, commercial, and industrial projects.

At Cutix, we focus on delivering quality products that meet ISO standards while offering competitive pricing and dependable customer support. Whether you need house wiring cables, armored /non-armored cables, flexible wires, solar cables or other electrical solutions, we have options that can meet your needs effectively.

I'd love to learn about your current electrical supply needs and see how we can support your projects with quality and affordable cable solutions.

Would you be interested in hearing about our available products and current offers today?
